

PACE GT

The PACE GT is designed to be a true light weight supercar with optimum ride comfort

- ✓ *The PACE GT uses the latest engineering and production techniques to provide the best possible performance and quality for your dollar.*
- ✓ *The PACE GT is designed and approved for Australian road use and extensively tuned for class leading track performance.*
- ✓ *The PACE GT can fit up to a 6' 5" driver due to its intelligent chassis design and original body shape.*

Absolute
PACE
Hand-Crafted Supercars

- ✓ *The PACE GT wears a highly accurate GT40 replica body with all the original features including inner body panels*

PACE GT - Features

- TIG Welded Aluminium Semi-Monocoque Chassis featuring adjustable suspension mounts, seatbelt mounts etc. No substandard time consuming pop rivet panelling required.
- Premium Pushrod Suspension Design Front and Rear. Incorporating CNC Billet Aluminium A Arms & Uprights with a choice of Urethane Bush or Teflon Rod Ends. Standard brakes are large 348mm rotors, Brembo calipers and custom PACE custom spot caliper for handbrake.
- Authentic body shape with enhanced symmetry and crispness of detail. Even if you are building a modern styled GT40 replica you will still want to have the beautiful original body lines and the detail only found on an original GT40. Compare our body shape to our competitors so called "authentic" body shapes.

Body consists of full gloss perfectly straight panels in Carbon Composite Construction and original style inner panels for improved durability, rigidity and protection from water, dirt and debris. Doors are reinforced Kevlar/Carbon construction. Inner panels are epoxy bonded to the outer panels. Even our roof section is double skinned for enhanced strength and improved appearance. Precision stainless alignment pins ensures perfect fit, finish and operation.
- Accommodates a large range of engine and transaxle choices. Engine: Ford Windsor, Ford Modular Aluminium 5.0lt (Coyote), Gen 3 & Gen 4 Holden/Chev engines from 5.7lt - 7.0lt, normally aspirated and supercharged. Transaxle: ZF, Porsche, Audi, Ricardo, Albins sequential. Custom engine and transaxle fitment available.
- Superior safety - with breakaway front crumple zone, high rigidity 6mm wall thickness cockpit safety cell and rigid housings to fully enclose and protect the twin fuel tanks. The advantage of increased torsional stiffness of a monocoque chassis design.
- Industry leading quality parts – CNC cut and TIG welded door hinges, engine mounts etc. Billet CNC roller fuel caps with separate lockable internal caps, classic analog styled electronic custom gauges.
- Superior weight distribution as the engine can be moved further forward and sit lower in the chassis than other replica brands.
- Intelligent self locating engine mount plates allow for flexibility and speed of installation. Includes additional mid drivetrain mounts for enhanced support for large HP installations.
- Build time is significantly reduced as every facet of the design has been optimized for quick and easy assembly. Full colour 500+ page build manual & DVD provided. Build time can be as little as 6 months part time.
- Enhanced interior space with combination of original body dimensions and Monocoque style cabin chassis section.

Extensive testing and compliance work has been performed for street registration in Australia - Chassis Torsion and Beam, Body Panels, Suspension, Handling, Braking, Seat Mounts, Seat Belt Mounts, Bump Steer etc plus certified parts and accessories. Please contact us for recommended engineers to assist with registration in your state.

PACE GT

Comfort:

- ✓ **Largest Cockpit Size**
- ✓ **Deep Wide Seating Position**
- ✓ **6'5"+ Drivers Accommodated**
- ✓ **Full Sprung Seats**
- ✓ **Adj. Height Steering Column**
- ✓ **Enhanced Shock Travel**
- ✓ **Front Storage Compartment**
- ✓ **Air Conditioning**
- ✓ **Adj. Seat Position**
- ✓ **Adj. Pedal Height & Spacing**
- ✓ **Cockpit Fresh Air Vents**
- ✓ **Poly Bush Suspension Option**
- ✓ **Quick Adjustable Dampening**

PACE GT

Performance:

- ✓ **Rocker Suspension**
- ✓ **Trackday Quick Height Adj.**
- ✓ **Tilton Race Pedals**
- ✓ **Light Carbon Street Body**
- ✓ **Light Aluminium Chassis**
- ✓ **350mm Slotted Rotors**
- ✓ **4 Piston Brembo Brakes**
- ✓ **6 Piston Upgrade Brakes**
- ✓ **Adjustable Brake Bias**
- ✓ **Teflon Rod Ends Standard**
- ✓ **CAD Designed & Optimised**
- ✓ **Low Drag Flat Floor**
- ✓ **Extremely Light Weight**

PACE GT

Safety:

- ✓ **Aluminium Safety Cell**
- ✓ **Kevlar Reinforced Doors**
- ✓ **Enhanced Body Strength**
- ✓ **Wide Anti-Intrusion Bars**
- ✓ **Collapsible Steering Column**
- ✓ **Fully Enclosed Fuel Tanks**
- ✓ **Oversized Brakes**
- ✓ **4-Point Structural Roll Bar**
- ✓ **Optimised Brake Bias**
- ✓ **LED High Level Brake Light**
- ✓ **Caliper Style Handbrake**

PACE GT

Suitable for Full Street Registration & Track Use

\$45,995 Starter Package
Plus \$19,995 Roller Add-On Kit
Plus \$43,495 Finishing Add-On Kit

\$45,995 Starter Package

Chassis Unit, some Suspension & Brake Components & some Fitted Body Panels

Chassis

- Aluminium Semi-Monocoque TIG Welded Chassis
- Removable Aluminium Front Panelling for Nose Section and Radiator Support
- Integrated Mounting Points for Suspension, Engine, Transaxle, Steering etc.
- Zinc Plated Door Hinges with Pivot Assemblies
- SS Front Clip Hinge Assembly (with Quick Release Lift Off)
- Zinc Plated Rear Clip Hinge Assembly
- Alloy Bulkhead Removable Engine Access Panel
- Alloy Upper Rear Bulkhead Panel
- Alloy Upper Engine Bay Removable Cross-Brace
- Removable Engine Bay Round Tube Braces

Suspension

- CNC Billet Aluminium Uprights
- CNC Billet Aluminium Upper/Lower Control Arms

Body

- Carbon Fiber Composite Body Panels: Roof Spider, Lower Sills, Front Clip, Rear Clip & Nostril
- Carbon Fiber & Kevlar Door Assemblies
- Full Inner Panels for Spyder, Front & Rear Clips
- Aluminium Door Anti-Intrusion Bars
- Roof and Lower Sills Fitted/Aligned onto Chassis
- All Body Panels Removable During Build

Brakes

- 4 Piston Brembo Calipers Front
- 4 Piston Brembo Calipers Rear
- 300mm Vented/Slotted Rotors Front
- 300mm Vented/Slotted Rotors Rear

Manual

- Full Colour 600 Page Manual

\$19,995 Roller Add-On Kit (price includes 20% loyalty discount)

Full Rolling/Steering Chassis, Fully Fitted/Aligned Body Panels. Supplied Unassembled (Components can be ordered separately)

Chassis

- 4-Point Roll Cage Assembly
- Engine Cross-Brace
- Zinc Plated Rear Shock Mounting Bracket
- Zinc Plated Front Shock Mounting Bracket
- Bolt-on Engine Mount Brackets
- Bolt-on Adaptor Plate Mount Bracket
- Bolt-on Transaxle Mount Bracket

Body

- Front Clip, Rear Clip & Doors Fitted, Aligned and Hinging
- Door Locks & Latches Supplied & Fitted

Drive Shafts

- Pair Race Spec Chromoly Axles
- Set CV Joint Assemblies
- Set CV Boots, Flanges & Stainless Ties
- Grease
- Chromoly Outer Stub Axles

Hardware & Tool Kit

- All Mounting Hardware
- 3 x Compartment Boxes with Colour Labels
- Small & Large Shock Spanners
- 36mm Ratchet Socket for Axle Nuts
- CNC Bullet Shaped Fitment Tool

Brakes

- Brake Pads Front and Rear
- Pad Pins & Spring Clips
- Rotor Hub Rings

Suspension

- Zinc Plated Steering Arm Brackets
- Zinc Plated Toe Link Brackets
- Zinc Plated Upright Double Shear Brackets
- Zinc Plated Upper Control Arm Camber Brackets
- Adjustable Dampening Billet Coilover Shocks
- Adjustable Ride Height
- Coilover Springs
- Zinc Plated Chromoly Pushrods
- Zinc Plated Chromoly Toe Links
- Race Quality Wheel Bearings
- Zinc Plated Chassis Suspension Mount Brackets
- CNC Billet Aluminium Bellcranks
- Zinc Plated Bellcrank Mounting Brackets
- CNC Machined Rod End Shear Spacers
- HD Teflon Rod Ends (Urethane Bushes optional)

Steering

- Steering Rack with Adjustable Height Mounting
- Collapsible Steering Column with Height Adjust.
- Teflon Lined Steering Tie-Rack Ends
- Stainless Ties for Steering Rack Boots

Prices / Specifications subject to change without notice. All prices include GST.

PACE GT

Suitable for Full Street Registration & Track Use

\$43,495 Finishing Add-On Kit (price includes 20% loyalty discount)
All Finishing Components to Complete the Build, Supplied Unassembled
(Components can be ordered separately)

Brakes

- CNC Bent and Machine Terminated Brake and Clutch Hard Lines
- Certified Flexible Braided Hoses
- All Required Brake Fittings for Complete System
- Tilton Aluminium Triple Pedal Assembly with Brake Bias Adjustment
- Adjustable Pedal Pad Height and Spacing
- Brake Master Cylinders (2 x Brake, 1 x Clutch)
- Brake Remote Reservoirs & Bracket
- Brake Fail Pressure Switches
- Complete Handbrake Assembly with Custom Spot Calipers, Cables, Mounting Brackets etc.
- Pair ABS Plastic Brake Cooling Ducts
- Stainless Hard Line Clamps
- Stainless Brackets for Flexible Braided Hoses
- Stainless Spring Clips for Flexible Braided Hoses
- Brake Reservoir Labels

Drivetrain

- Urethane Aluminium Engine Mounts
- Urethane Gearbox Mount
- Urethane Adaptor Plate Mounts
- Exhaust Headers
- CNC Billet Aluminium Adaptor Plate
- Engine Bay & Tunnel Insulation (Marked Ready to Cut & Fit)
- Mirror Stainless Heatshield Panels for Engine Bay
- Aluminium Rear Clip Inner Guard Panels
- Aluminium Seal Panels for Side Pods

Fuel System

- Twin Fuel Tanks with In-Tank Anti-Surge System
- Rubber Insulated Tank Mounts
- Polished Roller Latch Fuel Caps & Filler Tubes
- EFI Fuel Pump, Regulator & Filter
- Stainless Braided Teflon Fuel Flexible Lines
- Emissions Charcoal Canister Kit
- Fuel Breather Lines
- Fuel Filler Hoses

Wheels

- Pin Drive Aluminium 15" BRM Style Wheels
- Pin Drive Adaptors
- Lugnut Locating Pins
- Polished Aluminium Centre Caps
- Polished Forged Spinners
- Pin Drive/Knock-Off Hammer

Cooling System

- Aluminium radiator & Rubber Insulated Mounting
- 14" Dual Electric Fans
- Coolant Tubes & Stainless Clamps
- Aluminium Radiator Shroud
- Polished Alloy Coolant Header & Overflow Tank
- Aluminium Seal Panels for Radiator

Lighting

- Adjustable Headamp Assemblies
- LED Clear Front Indicators
- GT40 Replica Taillights
- Clear LED High Brake
- Number Plate Lights
- Clear Side Indicators
- Custom Small Round Reflectors
- All Bulbs etc included

Electrical

- Complete Classic 8 Gauge Set with Integrated Warning Lights, Dual Fuel Level Gauges and Integrated Discreet LEDs for High Beam, Turn Signals, Ignition/Voltage, Seatbelt, Brake Fail/ Handbrake & Security
- Senders for all Gauges
- Complete Switch Set to Control Headlights, Wiper, Hazard Lights, Demister & Squirters
- Dash Mounted Ignition Switch
- Push Button Red Start Button on Dash
- Push Button Chrome Horn Button on Dash
- Column Mounted Turn Signal Switch with Headlamp Dip Function
- Twin Tone Horn Set
- Air Conditioning System with Heater/Demister
- 3 Point Immobiliser with Proximity Keyfob
- Electronic Steering Lock
- Gel Cell Battery
- Zinc Plated Battery Mounting Bracket
- Complete Wiper System with Arms & Blades, 2 Speeds and Auto Park
- Twin Chrome Squirters with Washer Bottle
- Wiring Loom Kit
- Battery Cut-Off Switch
- Handbrake Lever Switch
- Cigarette Lighter Power Socket
- Seat Belt Timer for LED Warning Light

Steering

- 15" Classic Style Black Leather Wheel
- Steering Wheel Boss

Prices / Specifications subject to change without notice. All prices include GST.

PACE GT

Suitable for Full Street Registration & Track Use

\$43,495 Finishing Add-On Kit (continued)

Interior & Boot

- Classic Style Alloy Seat Frames with Sprung Base
- Drivers Seat Slider
- Retractable Lap Sash Seat Belts
- Centre Mirror with Day/Night Function
- Cable Shifter Assembly - Centre or RH Mount
- Polished Aluminium Gear Knob
- Handbrake Lever
- Polished Aluminium Handbrake Handle Grip
- Dash Panel
- Adjustable Fresh Air Vent System (Drv and Pass)
- Interior Insulation Kit
- Classic Door Exterior Handles
- Classic Door Interior Handles
- Retractable Seatbelts
- Warning Labels - Dash/Firewall & Seatbelts
- ABS Plastic Interior Trim Panels - Door Hinge Covers, Infill Panels, Seatbelt Retractor Covers
- Rubber Boots to Seal Rear Pushrods
- ABS Plastic Infill Panels to Seal Suspension/Boot
- Rubber Seals for Doors, Bonnet and Boot
- Aluminium Rear Inner Guard Seal Panels
- Side Pod Front and Rear Seal Panels

Hardware & Tool Kit

- All Mounting Hardware
- Compartment Boxes with Colour Labels
- Specialist Tools - Shock Spanners, Axle Socket, Bullet Tool, Switch Spanner, Lead Wheel Hammer

Support

- Full colour build manual 500+ pages with DVD
- Phone and Email support
- In person visits to talk to our staff

Required Components to Finish Vehicle:

- Engine and Associated Wiring & Accessories
- Transaxle, Flywheel, Clutch etc.
- Remaining Exhaust Parts from Headers
- Trimming for Supplied Interior Components
- Tyres
- Some miscellaneous items - fluids, adhesives etc
- Some additional parts dependent on build spec.
- Paint (if required)

Kits include all mounting hardware, brackets & fasteners for all components listed.

Not every component supplied in each kit is listed in this brochure, this is an overview only. See packing lists for full listing of supplied components.

Exterior Bright Work & Accessories

- Number Plate Mounting Bracket
- Gas Strut Front Clip Stays with Mounting Brackets
- Gas Strut Rear Clip Stays with Mounting Brackets
- Glass Windscreen
- Acrylic Cover Set for Headlights, Driving Lights, Windows, Spyder Rear Window, Rear Clip Window
- Nostril Panel Fasteners
- Front & Rear Clip Latches
- Rear Clip Top Locking Pin Set Kit
- Door latches with enhanced 2-stage locking
- Drivers & Passenger External Mirrors
- Stainless Front & Rear Clip Latches

Registration Certifications

- Chassis Torsional & Beaming
- Suspension & Associated Mounts
- Bump Steer
- Seats
- Seat Mounts
- Seat Belt Mounts
- Collapsible Steering Column
- Door Anti-Intrusion Bars
- Lights & Reflectors
- Double Lane Change Manoeuvre
- Brake Lines & Fuel Hoses
- Wheels
- Windscreen Wiper Swept Area
- Steering Wheel & Boss
- Seat Belts
- Etc

Payment Scheme

PACE GT Starter Kit Payment Schedule:
25% Deposit on Order of Starter Kit.
25% Chassis Completed
25% Body Completed
25% Ready for Delivery with Parts Packed

PACE GT Roller Kit Payment Schedule:
50% Deposit to order Roller Add-On Kit
50% Parts Packing Complete

PACE GT Finishing Kit Payment Schedule:
25% Deposit to order Finishing Add-On Kit
25% Progress Payment
25% Progress Payment
25% Balance Payment

50% Deposit required for options.
